

Thank you for participating in Cross & Crown's fourth annual 3x3 basketball tournament. Whether you are actively competing in the games or just coming to enjoy the day's festivities we appreciate your involvement and willingness to be a part of our efforts

Today's tournament has a dual purpose. First, by being involved you will have an opportunity to meet Cross & Crown staff, volunteers & some individuals & churches that partner with us. Our hope is that through these relationships & a shared passion for the Gospel we can build momentum towards furthering the mission of Cross & Crown: To proclaim the love, hope & mercy of Jesus Christ through service & prayer.

Secondly, today's tournament has an objective of communicating a more specific vision of ours at Cross & Crown. This vision is to construct a gymnasium in order to further benefit the neighborhood and serve as a long term resource as we continue our calling in this small corner of Oklahoma City.

We believe a part of our calling as Christians is to serve individuals as Christ served those He encountered. We believe an effective way to address an individual's spiritual well-being is to first address their physical well-being.

Once our fundraising goal has been met a gymnasium will give us the opportunity to address health & wellness related issues, introduce nutritional values & provide mentoring opportunities through athletics amongst many other things.

Fundraising Goal = \$400,000

If you have any questions, would like to make a donation or would just like some additional information about who we are or what we do at Cross & Crown please do not hesitate to ask!
